# MAYOR'S WELCOME

It is such a privilege to be able to write the cover letter for our 2019 Community Guide as your newly elected Mayor of Muskoka Lakes. It is a position I am both humbled and honoured to have. My promise to each of you over this term of Council is to utilize our amazing team of staff and your talented new Councillors to manage the business of Muskoka Lakes, in a respectful and dedicated fashion, ensuring Muskoka is protected for our children, our grandchildren and our great grandchildren.

We are pleased to produce this publication as we continue to enhance communications with our residents and visitors. This is the fourth consecutive year that the Township is distributing almost 4,500 Community Guides to our residents via a bulk mail drop. Additional copies are also available at the Township Office in Port Carling.

The Community Guide is a hard copy supplement to more detailed information available on the Township website [WWW.MUSKOKALAKES.CA](http://WWW.MUSKOKALAKES.CA). As you browse through this Guide, we are confident it will become a convenient reference tool to assist in providing information and answers to questions you might have about the many services our municipality has to offer.

The Community Guide provides a wealth of information, such as names and contact information of municipal officials, emergency service telephone numbers, waste management details, and the locations of parks, trails, arenas, docks, boat ramps, churches, libraries and community centres. You will find listings for community service organizations, with their activities and events that take place during the year.

There are a number of new items that we will be rolling out this year to improve municipal communication. Stay tuned for a new, more efficient Committee and Council schedule that engages the public even more but at the same time allows for greater efficiencies. An updated and improved Township website as well as the long-awaited web casting of Council meetings so you can see first hand everything Muskoka from anywhere in the world without having to be in our Council Chambers.

I would like to congratulate Rachel Olive on winning the Muskoka Lakes Photo Contest. The selected photo is featured on the cover of the guide. The image celebrates the Township of Muskoka Lakes by highlighting the natural beauty of the area.

On behalf of myself and your entire Council and staff, I would like to welcome you to 2019 and hope you enjoy this year's Community Guide.

Sincerely,

Mayor Phil Harding  
Township of Muskoka Lakes

### WATER

There are two water treatment plants in the Muskoka Lakes Township (Bala & Port Carling). Both plants operate in accordance with permits and licences issued by the Ministry of the Environment under the Safe Drinking Water Act. Both plants have sufficient capacity to accommodate planned community growth. Bala and Port Carling's modern water treatment plants feature conventional treatment processes:

- Coagulation
- Flocculation
- Sedimentation
- Filtration
- Disinfection

## COLLECTION INFORMATION

### **SORTED RECYCLING IN CLEAR BAGS CAN NOW BE COLLECTED FROM ROADSIDE BINS**

- Blue Boxes cannot be placed inside roadside bins. Sorted, clear bags only.
- Sorted recycling cannot be buried under garbage bags. Both must be visible and should be stored side by side, not on top of each other.
- Remember - sorted recycling in clear bags, garbage in solid coloured bags.
- Muskoka operates a two-stream recycling program. Containers must be in one box or clear transparent bag, and paper products in another.
- Bring your damaged blue box to any Muskoka landfill or transfer station and exchange it for a new one at no charge.

### **CURBSIDE COLLECTION STARTS AT 8:00 AM**

- Waiting for your “usual” time will result in your materials being missed.
- There is no guarantee your materials will be collected at the same time each week.
- Drivers often have to change routes due to construction, weather, mechanical issues, or road issues. Please ensure your material is at the curb no later than 8:00 am.

# OFFICIAL PLAN REVIEW

“PRESERVING MUSKOKA”

The Official Plan is the policy basis to guide future development of the Township of Muskoka Lakes. It is a key policy document for planning and land use, and will address new housing, waterfront redevelopment, rural lands, parks and more.

**STAY TUNED FOR MORE INFORMATION THROUGHOUT 2019**

An aerial photograph of a circular stone fire pit. The fire pit is constructed from large, grey, irregularly shaped stones. In the center of the fire pit, there is a circular opening containing a pile of firewood. The fire pit is surrounded by a lush garden with various green plants, ferns, and flowers, including pink and white blossoms. The overall scene is vibrant and natural.

# FREQUENTLY ASKED QUESTIONS

## PLANNING DEPARTMENT:

HOW DO I APPLY FOR A SEVERANCE, MINOR VARIANCE OR ZONING BY-LAW AMENDMENT?

All applications are available on the Township website. When on the homepage of the website, hold your mouse over Town Hall, then click on Document Centre. Click on Department Documents and under the Planning folder, you will find all applications and guides. Applications may be requested through [PLANNING@MUSKOKALAKES.CA](mailto:PLANNING@MUSKOKALAKES.CA). All three applications, should they be approved, are dependant on an appeal period prior to coming into full force and effect.

## PUBLIC WORKS DEPARTMENT:

HOW DO I OBTAIN ENTRANCE AND SIGNS PERMITS?

### ENTRANCE PERMIT REQUIREMENTS:

- An entranceway permit giving access to lands abutting a highway must be obtained prior to the issuance of a building permit relating to those lands. The location of the entranceway must be approved by the Director of Public Works or staff acting on their behalf to ensure traffic safety, free flow of traffic and ease of maintenance. A \$500 performance bond must be submitted by the applicant when applying for an entrance permit. A refund of \$200.00 will be returned to the applicant when the installed entrance way has been approved and accepted by the municipality and \$300.00 will be retained by the municipality as a permit fee. Please visit the Public Works Department or municipal website to obtain the necessary permit application and property markers.

### SIGN PERMIT REQUIREMENTS:

- To install a sign within the municipality that will be located on a Township road you can visit the municipal website to obtain the permit application and accompanying Bylaw 2018-30 that references the regulations.
- To install a sign within the municipality that will be located on a District Municipality of Muskoka road you will need to contact the Public Works Department at the District Municipality of Muskoka in Bracebridge or visit their website for further information.

## PUBLIC WORKS DEPARTMENT:

ROADSIDE COLLECTION & BEAR BINS

Roadside bear bins are acceptable for the containment of household bagged garbage in solid coloured bags and sorted bagged recycling in clear bags. Both material should be visible to ensure collection. Ideally, the roadside bear bin should be secured to a concrete pad.

Roadside bins should have some means of identification to indicate your municipal 911 address and a flag to indicate if waste is present for collection. For information on acceptable curbside containment options, please refer to Muskoka's Waste Management By-law 98-59 or contact District of Muskoka Public Works Department at 705-645-6764 or 1-800-281-3483.

If using a roadside bin to contain your bagged material, ensure the bin is in an approved position. It must be located no more than 5 meters from the travelled roadway and be visible to the collection driver. Please make sure that the area around it, the path to it, and lid are clear of snow allowing the driver easy access. Bins that are not cleared will not be collected.

Oversized construction bags cannot be collected, as they will not fit in the slot in the collection truck. Use only standard sized, solid coloured household garbage bags to contain waste.

## PUBLIC WORKS DEPARTMENT:

HOW DO I NOTIFY TOWNSHIP IF A STREETLIGHT IS OUT?

Public Works is responsible for streetlights in the municipality. To report an outage contact the Township Office and a service request will be created and scheduled during the next regular maintenance. Streetlight maintenance is usually completed on a quarterly basis.

## PUBLIC WORKS DEPARTMENT:

HOW DO I ACCESS PUBLIC DRINKING WATER?

Available for self-service use:

- Municipal Office – 1 Bailey St., Port Carling (Year-round).
- Windsor Park – 3040 Muskoka Rd. 169, Bala (Seasonal).

## PUBLIC WORKS DEPARTMENT:

HOW DO I PURCHASE A CIVIC ADDRESS SIGN?

Replacement or new civic address blades and posts are available to purchase from the Public Works Department during regular office hours.

- \$20.00 ea/blade
- \$30.00 ea/post

## FIRE DEPARTMENT:

WHAT IS SMOKE ALARM SAFETY AND THE SMOKE ALARM PROGRAM?

### SMOKE ALARM SAFETY

- Install smoke alarms in every bedroom, outside each sleeping area and on every level of the home.
- Test your smoke alarms every month.
- When a smoke alarm sounds, get out and stay out.
- Change the batteries in your smoke alarm as needed but not less than once a year.
- Replace all smoke alarms in your home every 10 years.
- Additional information about smoke alarms can be found at [NFPA.ORG/SAFETY-INFORMATION](http://NFPA.ORG/SAFETY-INFORMATION), or by contacting the Muskoka Lakes Fire Department at (705) 765-3156.

### SMOKE ALARM PROGRAM

If you have had your chimney swept or your fuel burning appliance inspected this year, please come to the Muskoka Lakes Fire Department Administration Office at 1 Bailey St. in Port Carling, with your receipt and you can receive a free Smoke or CO alarm.

## FIRE DEPARTMENT:

WHAT IS CARBON MONOXIDE SAFETY?

- Carbon Monoxide (CO) is known as the silent killer because it is an odorless, tasteless, and invisible gas that can be deadly.
- As of April 15th 2015; it has now become law to have a working carbon monoxide alarm installed in your home. If you have a wood burning stove, fuel burning appliance or an attached garage you are required to have a CO installed outside each sleeping area in the home.
- If your CO alarm sounds, immediately move to a fresh air location and call 9-1-1.

# FREQUENTLY ASKED QUESTIONS

## FIRE DEPARTMENT:

### DO I NEED A HOME ESCAPE PLAN?

Every family should have prepared and practiced a home escape plan. Some of the things you want to have in your home escape plan:

- Know what to do when the Smoke alarm sounds.
- Make sure everyone knows two ways out of each room, if possible.
- Get low and go under the smoke to the nearest safe exit.
- Choose a meeting place a safe distance from your home, Get out and Stay out, dial 9-1-1 from outside.

## BY-LAW DEPARTMENT:

### WHEN SHOULD I CONTACT BY-LAW ENFORCEMENT?

*\*After-hour calls are handled by an answering service, Call-takers will contact the appropriate staff if immediate actions is required.\**

## BY-LAW ENFORCEMENT:

It is not necessary for a By-law officer to attend each site to carry out enforcement procedures, although he/she may to verify information. Usually officers will rely on information provided by the complainant. A By-law infraction can be filed two ways; Call the Township office or go to the Township website at [WWW.MUSKOKALAKES.CA](http://WWW.MUSKOKALAKES.CA) and fill out a **By-law complaint form**, submit and it will e-mail directly to the By-law Officer. Once a complaint is received an investigation will be undertaken to determine if an offence has taken place. The complainant will be notified of any proceedings if indicated on the complaint form.

The Township of Muskoka Lakes By-law Enforcement is a three pronged approach for example; A By-law officer cannot stop people from making noise, he/she can only enforce the by-law. Compliance may be achieved by:

1. Giving Verbal or written warnings and provide a copy of the Noise By-law 2005-83,

2. Issuing a Part 1 ticket in accordance with the Provincial Offences Act. (short form wording and set fines),
3. Summoning a defendant to court – Usually for a second or third offence when seeking larger fines and/or Court Orders. Summons may also be used in the event a By-law does not have short form wording.

**Public Nuisance:** If you notice people damaging or defacing public property, call the OPP 1-888-310-1122

**Signs, Building and Zoning Complaints:** Call during Regular office hours, Office Hours, Monday-Friday 8:15am- 4pm.

**Dogs:** Complaints about lost/stray dogs are handled during office hours. If a dog demonstrates behavior that causes you to fear for your safety, a By-law Officer will be dispatched immediately. All dogs are taken to the OSPCA.

**Parking:** Complaints are usually handled during office hours. If a vehicle blocks a driveway at any time, phone the Township office and immediate action will be taken.

## BY-LAW DEPARTMENT:

### DO I NEED AN OUTDOOR BURNING PERMIT?

No permit is required for **small** confined fires set by persons who are NOT contractors, for the purpose of burning environmentally acceptable waste. Any person burning such a fire shall comply with the following:

- The fire must be under constant supervision and control from the time of lighting until it is totally extinguished.
- The fire shall be located no closer than 6 meters, (20 feet), from any building, structure, hedge, fence, road, overhead wires or obstruction of any kind.

Now in our 18th year, "Bala in Bloom" volunteers are hard at work and would love

to have you join us. It's easy to do! An hour a week for a few months each summer is all that's needed to keep your "Adopted Garden" weed free. Get a few friends, family, student group, or your business and help keep Bala beautiful.

### **TREE OF LIFE HONOUR**

A living tribute to celebrate the birth of a child or a loved one's connection with Muskoka. Memorial trees are a beautiful way to "give back" to the environment and help keep Muskoka vibrant and healthy. Average Cost: \$650.00 for 1 tree planted with engraved plaque, includes 1-year guarantee.

## PORT CARLING COMMUNITIES IN BLOOM

### **CONTACT:**

- Dianne Darragh (705) 765-0593, (705) 706-9258
- Cheryl Ferguson (705) 641-8722

**GOAL:** New volunteers are always welcome to join our fun group. To enhance our enjoyment of Port Carling & its appeal as a tourist destination for years to come. To engage & motivate individuals, businesses, & governments to make this happen.

### **Projects have included:**

- Gardens & flower barrels
- Flower boxes on the bridge
- Clean-up days
- Special trash & recycling containers
- Over 5,000 tulips & daffodils planted
- Winter lights
- Last year with the help of the Township we now have a raised Vegetable Garden in Archdeacon Park for community members, especially seniors, to help themselves. We also planted 2 fruit trees.
- This year we plan to renew part of Waterfall Garden at the back of the Community Centre along with the Cenotaph Garden and the Archdeacon Park Garden. We are also adding solar lights to the Hosta Garden for weddings.

## WALKER'S POINT GARDEN DIGGERS
