TOWNSHIP OF MUSKOKA LAKES
RFP-2021-02 (ADDENDUM #2)

ADDENDUM #2

Re: COVID Impacts

In recognition of the recent impacts of the COVID pandemic, the Township has decided to give bidders the option of submitting proposals electronically at the discretion of the bidder. Bids should be submitted as separate files consistent with the proposal requirements clearly marked as to whether they are the technical or the financial submission. Proposals shall be submitted to the attention of Pam Barager at pbarager@muskokalakes.ca on or before the specified closing time. In choosing to submit their proposal electronically, the bidder accepts the risks and consequences associated with that decision. The Township will not accept any responsibility for late or lost proposals.
