

THE CORPORATION OF THE TOWNSHIP OF MUSKOKA LAKES
TENDER

Supply One (1) TANKER PUMPER
T-2022-30

Addendum #1

This Addendum **must** be included with your Tender Bid, otherwise the entire Tender Bid is null and void.

Issue Date:

March 23, 2022

The Tender is modified as set forth in this Addendum. The original Tender Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Tender. Respondent shall take this Addendum into consideration when preparing and submitting its Tender.

The following section is being amended to update the Delivery Requirement with respect to the Tanker Pumper:

With respect to the delivery requirement of the New Tanker Pumper, that portion of the tender has been removed. Anywhere in the tender where 'supply and delivery' is used, has been changed to 'supply'. Arrangements can be made to retrieve the vehicle from your facility if delivery is not an option.

The following section of the Tender on page C-5 is now Not Applicable.

4.0 DELIVERY - **N/A**

4.1 Delivery shall be to the Muskoka Lakes Fire Station 6 Port Carling located at 1 Lee Valley Dr, Port Carling, ON P0B 1J0. A minimum of 48 hours' notice shall be provided to Kevin Gonneau, Deputy Chief at 705-394-4906 or via email at kgonneau@muskokalakes.ca. Delivery shall occur Monday to Thursday 7:30 am to 4:00 pm or on Fridays 7:30 am to 11:00 am and shall not occur on any Provincial and/or Federal statutory holidays (including Easter Monday and Civic Holiday).

4.2 Delivery shall occur no later than June 30, 2023.

4.3 An authorized representative of the manufacturer shall provide demonstration of the completed vehicle. One (1) day of orientation shall be provided and performed by a qualified representative of the manufacturer.

The following section is being amended to update the requirement for the National Safety Mark with respect to the Tanker Pumper:

The requirement for the National Safety Mark has been removed from page A-8 2. Commercial Motor Vehicle Safety Act Compliance;

Vehicles shall meet or surpass the mandatory requirements of the Canada Motor Vehicle Safety Act and its Regulations in effect on the date of manufacture.

All sections pertaining to the requirement that the New Tanker Pumped needs to be 4X4 have been removed.
