SECTION 1: INSTRUCTIONS, TERMS, AND CONDITIONS

1 DESCRIPTION OF UNDERTAKING

To solicit the services of a consultant for the purposes of creating a fire station location study identifying the preferred fire station deployment model to meet the needs of the community for the next 25 years. Consideration should be had to the three future fire station location options as recommended in the Township of Muskoka Lakes Fire Master Plan 2022.

Firms with an interest in this project must follow the details of this document closely when responding to this request.

The information provided in this document is intended to provide a general overview of the work required.

2 INVITATION

The Municipality is seeking proposals from suitably qualified consulting firms (“Consultants”) to provide professional services to prepare a fire station location study.

3 SUBMISSION DEADLINE

Proposals must be received at this location **NO LATER THAN 2:00 p.m. on Wednesday April 26, 2023.**

Any proposal received after the above due date and time will not be considered and will be returned unopened to the Consultant. Consultants are to submit their proposal in a sealed package, or electronically, clearly identified as to contents or in subject line and addressed to:

The Township of Muskoka Lakes PO Box 129, 1 Bailey St
Port Carling ON.
POB 1J0

Attn: Ryan Murrell, Fire Chief

Fax or electronic submissions will be accepted at the bidder’s sole risk.

Fax # 705-765-3183

Or

rmurrell@muskokalakes.ca

4 PROPOSAL SUBMISSION

The bid shall include items listed hereunder.

Bids shall be submitted in envelopes with the information outlined in Attachment “D” - Envelope Submission Information, clearly marked on the front of each envelope, as follows:

ENVELOPE 1 – Bid including all items listed below under section **PROPOSAL** (including addenda, if applicable).

ENVELOPE 2 – Bid Summary of Professional Fees and Disbursements, **PROFESSIONAL FEES** (see Attachment “B” Costs).

Fax and email submissions should submit each document separately.

5 WITHDRAWAL OF PROPOSAL

A Consultant may withdraw a submitted proposal at any time up to the official closing time by letter bearing a signature and/or seal as in the original proposal and requesting that their proposal be withdrawn. Withdrawal requests received after the time of closing will not be permitted.

6 COSTS FOR RFP DOCUMENTS

The Request for Proposal (“RFP”) documents are provided at no cost to the consultants.

7 RETRIEVAL OF OFFICIAL DOCUMENTATION

Only documents provided to Consultants by the Municipality or found on the Municipality’s website are to be considered the "official" documents. The Municipality accepts no responsibility for the accuracy of information found on other websites.

8 FORMAT OF PROPOSAL

All proposals must be submitted upon the forms provided and the respondents information called for in this RFP, submitted on 8½ x 11 paper in sealed packages, clearly marked as to contents and should include one (1) bound original and one electronic copy (on USB key) of the complete submission and shall include (at a minimum):

- 1. Proposal Form**
- 2. Respondent Information Form**

9 SUMMARY OF KEY DATES

Cut off for submission of questions	April 12, 2023
Response to questions	April 19, 2023
Submission of proposal	April 26, 2023
Anticipated award of assignment	May 17, 2023

10 COSTS INCURRED BY PROPONENTS

All expenses incurred in the preparation and submission of proposals shall be borne by the Consultant. No reimbursement of costs to prepare the proposal shall be provided to the proponents.

11 ACCEPTANCE AND TERMS

This RFP is not a tender and is not intended to create “Contract A”. The Consultant and all other entities participating in this RFP Process agree that submission of a proposal constitutes acknowledgement that the Consultant has read and agrees to be bound by all the terms and conditions of the RFP.

12 NO CONTRACT CREATED BY THIS RFP

This document is a request for proposals in respect of the services and project described herein and is not a tender. Neither the RFP Documents nor the submission of any proposals in response to the RFP documents shall, in any way whatsoever, create a binding agreement between the Municipality and any Consultant.

13 RIGHT TO REJECT OR NOT OPEN

Notwithstanding any other provision of this RFP, the Municipality may, in its sole and absolute discretion,

accept or reject any part or all proposals.

14 CONSULTANT SELECTION COMMITTEE

If deemed appropriate, a consultant selection committee may be formed by the Township to evaluate the proposal. The Consultant Selection Committee will consist of representatives of the Municipality.

15 CONSULTANTS TO INVESTIGATE

Consultants submitting a proposal shall understand and acknowledge that while this RFP outlines the scope of work and specific requirements, the Consultants shall satisfy themselves by such means as they prefer, as to the extent of work required to complete the assignment.

16 NEGOTIATIONS:

If all submitted bids are over budget, the Township reserves the right to negotiate the terms of the project contract, including price and scope of work, directly with the qualified bidder, to identify cost saving opportunities associated with alternate process, material or construction methods.

17 COMPLIANCE:

Any deviations from the Township's RFP document must be clearly defined and is subject to acceptance or rejection by the Township in its sole discretion.

18 COMPLIANCE WITH SPECIFICATIONS AND/OR SCOPE OF WORK:

Alternative bids may be considered however, any deviations to the Township's information to Bidders, general conditions and mandatory requirements must be clearly defined and are subject to acceptance or rejection by the Township in its discretion.

19 AWARD OF WORK

If a contract is to be awarded as a result of the RFP, it will be awarded to the Consultant whose proposal, in the Municipality's opinion, provided the best potential value to the Municipality and is capable in all respects to fully perform the contract requirements and the integrity to assure performance of the contract obligations.

The successful Consultant will be notified of the intent to award in writing, and the subsequent execution of a written agreement shall constitute the making of a contract. Consultants will not acquire any legal or equitable rights or privileges whatsoever until the contract is executed by both parties.

20 COMMUNICATIONS

All inquiries regarding this RFP are to be directed to the individual identified below. Inquires must be received in writing (email) no later than April 12, 2023. All inquiries received and the responses provided will be sent to all Consultants by way of written addendum(s) no later than April 19, 2023, without naming the source of the inquiry.

The Township of Muskoka Lakes PO Box 129, 1 Bailey St
Port Carling ON.
POB 1J0

Attn: **Ryan Murrell, Fire Chief**
rmurrell@muskokalakes.ca

705-765-3156 ext. 261 or via cell phone 705-646-5282

Note that no oral explanation or interpretation shall modify any of the requirements or provisions of the RFP documents.

Where the Municipality deems that an explanation or interpretation is necessary or desirable, an addendum may be issued in writing. All addendums will be posted on the Municipality's website for downloading by all Consultants. It is the Consultant's sole responsibility to check for addenda issued and download same. Acknowledgement of Addenda on the proposal is a mandatory requirement. Failure to acknowledge addenda will result in a non-compliant proposal that is not eligible for award.

21 PROFESSIONAL CONSULTING AGREEMENT

Prior to commencing work on the project, the successful Consultant will enter into an Agreement for Professional Consulting Services.

22 CONFLICT OF INTEREST

The Municipality reserves the right to disqualify a proposal where the Municipality believes a conflict of interest or potential conflict of interest exists in regard to the Consultant and the intended project.

23 INTELLECTUAL AND PROPRIETARY RIGHTS

All intellectual, industrial or other proprietary rights of any type provided by the Municipality to the Consultants in relation to this RFP shall remain the respective property of the Municipality at all times.

In the case of intellectual Property owned by the Consultant prior to the proposal submission or created by the Consultant during the term of this proposal, the Consultant shall grant to the Municipality, a perpetual right and license to use, modify and reproduce in any form, those parts of the proposal and/or related contracted services.

24 MUNICIPAL FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT (MFIPPA)

All correspondence, documentation and information provided shall become the property of the Township. Any personal information required on the documentation presented is received under the authority of the Municipal Freedom of Information and Protection of Privacy Act, 1989, RSO, 1990. This information will be an integral component of the proposal submission.

25 HEALTH AND SAFETY AND WSIB

The successful Consultant is required to conform with the *Occupational Health and Safety Act* related to the performance of the contract. In addition, the successful Consultant will be required to supply to the Municipality a valid Clearance Certificate issued by the WSIB, or if applicable, a letter from WSIB verifying Independent Operator's Status. A new clearance certificate is required every sixty (60) days.

26 INSURANCE

The successful Consultant shall, at its/his/her own expense, obtain and maintain for the term of the contract and any renewal or extension thereof and provide the Municipality with evidence of:

Comprehensive general liability insurance on an occurrence basis for an amount not less than Two Million (\$2,000,000) Dollars, exclusive of interest or costs per occurrence, with respect to the successful Consultant's operations, acts and omissions relating to its obligations under the contract, such policy to include coverages for defense and claimants' costs, and coverages for:

- personal injury including death;
- property damage or loss (direct or indirect and including loss of use thereof);
- broad form property damage;
- contractual liability;
- non-owned automobile liability;
- products and completed operations;
- contingent employers liability;
- cross liability;
- severability of interest; and
- owners' and contractors' protective.

The policy of insurance shall name the Municipality as an additional insured with respect to its interest in the operations of the Consultant.

Professional liability insurance or other errors and omissions insurance covering claims and expenses for liability for loss or damage arising from negligence in the provision of the Services, of standard wording, for an amount no less than Two Million (\$2,000,000) Dollars exclusive of interest or costs per occurrence; and

Automotive or Motor vehicle liability insurance of standard wording, covering all vehicles owned, leased or operated by or on behalf of the Consultant, in any matter in connection with the services provided or to be provided under the contract, for an amount not less than Two Million (\$2,000,000) Dollars exclusive of interest or costs per occurrence and equipment leased, borrowed, rented or operated for an amount of not less than Two Million (\$2,000,000) exclusive of interest or costs per occurrence.

Every policy of insurance shall contain either no deductible amount or a deductible amount which is reasonable considering the financial circumstances of the Consultant. The Consultant shall be responsible to pay all deductible amounts.

The Consultant shall provide the Municipality, within seven (7) days of award of Contract, a certificate from its insurer which shows that the policy or policies placed and maintained by it complies with the requirements of this RFP and the contract.

Failure to provide the aforementioned insurance will result in the withholding of payments or at the sole option of the Municipality, forfeiture of the Contract.

27 TERMS OF PAYMENT

The successful Consultant shall be reimbursed on a monthly basis for the actual work completed and time spent on the project. Monthly invoices are to include supporting documentation for all disbursements. Disbursements will be paid at cost.

Invoices submitted by the successful Consultant shall include the project title, a description of the work completed and a billing summary. This summary shall include the tasks set forth in the financial submission and shall indicate the budgeted cost, percentage invoiced to date and a total of these amounts for each task.

28 PROPOSAL VALIDITY

Proposals shall remain valid and open for acceptance by the Municipality for a period of sixty (60) calendar days following the deadline for receipt of proposals.

SECTION 2: BACKGROUND, OBJECTIVES, SCOPE OF WORK & DELIVERABLES

29 INTRODUCTION:

This undertaking is a Fire Station Location Study, which is a study that analyzes the optimum location for fire stations in a given community. On July 13, 2022, Council received a [Fire Master Plan](#) that contained thirty eight (38) recommendations. Recommendation No. Twenty (20) involved consideration of a feasibility study of three options for fire station locations. The three options presented to Council were developed through a review of the 2014 Fire Master Plan recommendations and include:

- Option #1 – closing of two fire stations;
- Option #2 – creation of a new five fire station model: or
- Option #3 – creation of three key stations, with four sub-stations.

The key deliverable of the study will be a feasibility study final report detailing the preferred locations for fire stations. The report will include an executive summary outlining vision, as well as detailed actions for approval and related phasing as applicable.

30 RESPONSIBLE DEPARTMENT:

Development and implementation of the Fire Station Location Study will be administered by the Fire Department (the “Department”).

31 PROJECT OBJECTIVES:

To identify the preferred fire station deployment model to meet the needs of the community for the next 25 years. In this regard, consideration should be had to the three future fire station location options as recommended in the Township of Muskoka Lakes Fire Master Plan 2022.

32 TERMS OF REFERENCE:

Terms of Reference for Fire Station Location Study (FSLs)

Objective

To identify the preferred fire station deployment model to meet the needs of the community for the next 25 years. In this regard, consideration should be had to the three future fire station location options as recommended in the Township of Muskoka Lakes Fire Master Plan 2022.

General Approach

The study is proposed to be divided into two phases.

Phase one of the study shall involve:

- Information gathering and data collection;
- Assessment of current Fire Stations conditions and identification of the life cycle cost of the current deployment model over the term of the plan (25 years min);
- Develop GIS model of current station deployment;

- Identification of key performance measures, standards and best practices, including but not limited to NFPA 1720, by which to evaluate effectiveness of existing and potential fire station deployment models;
- Assessment of current deployment model against key performance measures, standards and best practices; and
- Reporting of findings to General Finance Committee.

Phase two of the study shall involve:

- Identification of alternatives including those identified in the Fire Master Plan (2022);
- Update the GIS model, as well as evaluate these alternatives against the KPI's, standards and best practices identified in Phase 1, as well as life cycle cost;
- Host stakeholder feedback sessions;
- Consolidate input received and identify technically preferred alternative. Report findings and make a recommendation to the General Finance Committee;
- Development of implementation strategy for the preferred alternative; and
- Presentation of final report to Council.

Scope of Work

Project Initiation

Upon award of the project, the parties will hold a project startup meeting. The terms of reference and schedule for the project will be finalized based on the Consultant's proposal and an agreement between the parties for the project will be executed.

Project Phases

Phase I - Information Gathering and Evaluation of Current Deployment Model

This phase shall, as a minimum include the following activities. Note that the Consultant shall be required to establish a project FTP site or similar for the secure sharing of digital documents between the parties.

Information Gathering and Data Collection

- a) Identify information requirements (i.e. Fire Master Plan, Community Risk Assessment, and the by-law to establish and regulate a fire department, Growth Strategy, Official Plan etc.) and request same from the Township;
- b) Review information, conduct area site investigations and interview fire personnel to become familiar with Muskoka Lakes Fire Department operations;
- c) Conduct a gap analysis and identify additional information requirements. Carry out additional investigations as required to secure the necessary information. Additional investigations are to be included in the scope of work.

Fire Stations Condition Assessment

- a) Conduct fire station condition inspections;
- b) Identify current (Now) and future (1 to 5, 6-10, 11 to 15 and 15 to 25 year) needs to the term of the study or the point of functional obsolescence, whichever is earlier;

- c) Identify the time and prepare a Class D costs estimate for all required improvements.

Existing Deployment Model

- a) Develop a GIS model simulate current deployments; and
- b) Validate current service areas.

Evaluation Criteria & Assessment

- a) Identification of key performance measures, standards and best practices, including but not limited to NFPA 1720, by which to evaluate effectiveness of existing and potential fire station deployment models;
- b) Assess current deployment model against key performance measures, standards and best practices;
- c) Prepare a presentation and present the assessment results from Phase 1 to the General and Finance Committee.

Phase II: Development of Alternatives and Identification of Preferred Deployment Model

Under this phase of the project, the Consultant will identify and evaluate alternative deployment models in sufficient detail to enable staff and Council to understand the implications (financial and otherwise) associated with each alternative. The consultant will also identify the preferred alternative and prepare an implementation plan which will identify phasing to achieve the preferred alternative. This phase shall, as a minimum include the following activities:

Identification of Alternatives

- a) Identify alternative deployment models with the potential to be able to satisfy the current and projected emergency response needs of the community for the next 25 years. At a minimum the following alternatives should be considered:
 - 1. Refurbish all of the existing facilities sufficiently to allow them to continue to operate and meet the response needs for the next 25 years;
 - 2. The options noted in the 2022 Fire Master Plan; and
 - 3. Other alternatives as the consultant may deem to be worthy of consideration.
- b) Update GIS model, as well as document each alternative in sufficient detail to define the scope of the alternatives;
- c) Identify sites to remain, as well as new prospective service areas for the location of the any new facility; and
- d) Prepare a Class D estimate of the cost of each alternative and carry out a life cycle cost for each alternative.

Alternative Evaluation

- a) Evaluate the identified alternatives against the KPI's, standards and best practices identified in Phase 1.

Stakeholder Feedback

- a) Prepare a presentation(s) to document the results of the study to date to the fire department staff and the public.
- b) Hold feedback sessions presenting the results of Phase 1 and 2 to fire personnel and the public. A minimum of three, in person, presentations to departmental staff (south, central, north) shall be offered. The presentation offered to the public may be offered in person and/or remotely.

Reporting of Findings to the General and Finance Committee

- a) Identify the technically preferred alternative;
- b) Prepare and deliver a presentation to the General and Finance Committee identifying alternatives considered, the evaluation results, a summary of the feedback received from the stakeholders and providing a recommendation for the preferred alternative.

Implementation

- a) Develop an implementation strategy for the preferred alternative.

Final Report

- a) Prepare a draft final Fire Location Study report based on the work completed in Phases 1 and 2, for review and comment by the Township;
- b) Based on feedback from the Township finalize the feasibility study report;
- c) Prepare a presentation and present the final Fire Location Study report to

Council.

Governance

The ultimate authority for the study shall be Township Council except as delegated to the General and Finance Committee. General oversight of and input to the study shall be provided by a Steering Committee consisting of three members of Township staff. The consultant will provide updates to the Steering Committee at the end of each major task.

Available Information

The following documents will be made available to the successful consultant upon award of the assignment.

- Community Risk Assessment;
- Township of Muskoka Lakes 10 Year Capital Budget Projections;
- Community Strategic Plan 2020;
- Township portion of Muskoka Growth Strategy;
- Official Plan 2013 and Official Plan 2022 (as adopted); and
- Fire Master Plan 2022.

Stakeholder Consultation and Communications

The consultant will be responsible for conducting stakeholder consultations and preparation of communications at least once during each phase of the project. As a minimum the following

activities will be completed as part of the assignment:

- a) Prepare draft material to advertise the launch of the study and outlining opportunities for stakeholder input;
- b) Prepare questionnaires for two electronic surveys (to be administered by the Township) to solicit public and stakeholder input. In the first phase, the first questionnaire will focus on information gathering on issues, ideas, and opportunities. In the second phase, the second survey will solicit feedback on the alternatives identified;
- c) Coordinate consultation with Township staff;
- d) Prepare draft material to advertise, in consultation with Township Staff, a Public Information Centre;
- e) Coordinate, attend and facilitate a minimum of one public information/consultation session per phase. The information session will present:
 - the information gathered on issues, ideas, and opportunities;
 - the alternatives identified;
 - the results of the technical evaluation.The intent is that the consultant will be available to present the materials, answer questions from the public and receive feedback on the alternatives presented.
- f) Present the findings at the end of each phase to the General and Finance Committee; and
- g) Present the final Fire Station Location Study (FSLs) report to Council.

The Consultant will provide a schedule for the above-noted meetings integrated in the detailed project plan.

Deliverables

- a) A work plan that will include a schedule of action items and timelines. The work plan should be sufficiently detailed to indicate how the objectives of the study will be met.

Phase 1

- b) An interim progress report containing the proposed evaluation criteria, as well as the results of the evaluation of the existing deployment model using said criteria (after the completion of Phase 1 of the study or as otherwise agreed upon to advise Township staff and members of Council on the progress of this project (including required drafts and necessary revisions). A summary of the results of the initial stakeholder engagement opportunities should also be included in the report;
- c) Presentation of findings to General and Finance Committee for input;

Phase 2

- a) An interim report identifying the alternative deployment models and the results of their evaluation against the criteria developed in phase 1 study and develop conclusions and recommendations;
- b) Stakeholder engagement on alternatives and related analysis;

- c) An interim progress report identifying the preferred alternative and a summary of the results of the stakeholder engagement opportunities;
- d) Presentation of findings to General and Finance Committee for input; an
- e) The Fire Station Location Study Final Report, including an executive summary outlining vision, as well as detailed actions for approval and implementation, schedules, standards, and guidelines.

Project Schedule

The schedule for the project is expected to be as follows:

- Issue of Request for Proposals March 29, 2023
- Receipt of Proposals April 26, 2023
- Award of Consulting Assignment May 17, 2023
- Project Kickoff May 19, 2023

It is expected that the project will take approximately 6 months and should be completed by the beginning of December 2023. The actual schedule for the project will be set in consultation with the successful consultant based on the information included in their proposal.

33 FINAL SUBMISSION OF REPORTS/DRAWINGS:

All reports will be prepared in Microsoft Word and/or Excel and all drawings will be created in the latest version of Auto CAD and/or ESRI ArcGIS. Ownership of both hard copies and digital copies must be transferred to the Township upon completion of the project. Metric units are to be used.

Record drawings and/or Final Reports must be submitted to the Township within two weeks of project completion. Record drawings must contain survey data from construction period.

Detailed breakdown of quantities and cost estimates for Township budget purposes, and construction estimates (if required).

Mapping and associated database information is to be provided in ESRI (.shp) shapefile with object data attached. All information is to be tied to UTM coordinates using the standard NAD83 (Zone 17) datum and should be accompanied by supporting files (font files and plot files) if applicable. Please note that graphical images (.pdf, .cdr, .tif) and CAD files are not considered an acceptable GIS format.

The GIS based file (ESRI .shp) shall follow Township GIS Standards including all related asset information as required.

34 TOWNSHIP REPRESENTATIVE:

The Project Manager, Fire Chief Ryan Murrell will be the Township's main contact for this project. All correspondence will be through this individual. Contact information is provided below.

Attn: Ryan Murrell, Fire Chief

rmurrell@muskokalakes.ca

705-765-3156 ext. 261 or via cell phone 705-646-5282

35 FINANCIAL IMPLICATIONS:

The agreement between the Township and the Successful Bidder shall specify the project cost. Further, in this regard, please note the following:

The cost of advertising and room rentals required for meetings open to the public in the context of the public consultation process and the Township of Muskoka Lakes consultation process will be paid by the municipality. The municipality will be responsible for the preparation and placing of all advertising and notices and renting appropriate facilities.

The cost of any presentation support materials, exhibits and project products will be the responsibility of the Successful Bidder.

The Proposal must outline all costs associated with supplying the identified services.

36 DELIVERABLES

Minimum Deliverables

The successful Consultant is required to provide the following list of deliverables:

Four (4) hard copies of the **final deliverable** along with a digital copy. A final report which shall identify the methodology and criteria used in the production in the Study. The final report shall discuss and detail the systems: time of need, system adequacy, recommended funding levels.

A separate Appendix with individual asset sheets in .xls format including a map of the asset and all pertinent details and recommendations.

SECTION 3 PROPOSAL CONTENTS

37 PROPOSAL CONTENT:

Bid submissions are restricted to those consulting firms that can demonstrate qualifications and experience in the field of emergency planning, emergency response, health and safety, and fire protection services. In particular previous experience preparing Fire Station Location Studies for municipalities throughout Canada, and have completed a project of this nature within the last five (5) years, for a municipality or jurisdiction of comparable (or greater) population in Ontario.

Bidders shall submit a bid, maximum 75 pages, not including the covering letter, résumés and company credentials. Appendices are to be limited to résumés, project lists and corporate information.

The Bidder's proposal submission shall follow the order of components as outlined in the Evaluation Criteria.

The bid shall include:

Project Understanding:

The consulting team should detail their understanding of the project specific to Muskoka Lakes.

Methodology:

The Bidder's proposed methodology for carrying out the work.

A detailed work plan and a weekly project schedule which will identify all major components of this project and their anticipated start and completion dates which must coincide with the dates provided by the Township.

Commitment (time and resources) expected to be provided by the Township.

A detailed work plan and time frame for the project including timing for each step of the work program, to be presented in a calendar-style format, based on the time allotted for the project based on the fixed schedule provided by the Township in Attachment "A". The consulting team will meet all work program commitments, timing and completion dates as agreed upon by the Township and the consulting team unless both parties agree to appropriate revisions to the agreement due to unforeseen circumstances. Any overruns in timing (unless otherwise agreed upon), or cost will not be the responsibility of the Township of Muskoka Lakes.

Identification of all sub-consultants, their qualifications and experience, as well as their specific role in the project.

Project Team and Leadership:

A description of the consulting team, the lead persons, and the relevant experience and qualifications of each individual along with an estimate of the percentage of time each key member will dedicate to this project (The individual's hours divided by total project hours).

Similar Work Experience and Local Expertise:

Similar work experience for the lead consulting team members shall be noted. The municipality where the lead consulting team members reside will also be considered when reviewing local expertise.

Letters of Reference:

At least three (3) letters of reference of similar work experience, each reference letter submitted shall have varied content in order to illustrate the Bidder's understanding of the various requirements of the bid. This shall include all applicable contact information, as this will be a key component in the qualification of a Bidder. Bidders that do not fulfill this key component will be scored zero (0) on the Evaluation Criteria.

Schedule:

Start date		End date	
Fire Station Location Study: P-2023-30			
Task	Start Date	End Date	% Completed

Cost:

A complete cost breakdown for the project presented in a tabulated format in cumulative hours with a total upset cost for the design to the point of completion and presentation of the final report.

The cost estimate of the Bid shall be submitted in **Envelope 2**.

Miscellaneous Items:

Appendices as noted above.

Disclosure of any litigation and real or perceived conflict of interest (see Attachment “C”).

38 PROPOSAL COST AND MAN-HOUR ESTIMATE:

The bid shall outline the overall project cost breakdown and include the following:

- Cost breakdown and fee schedule of per diem or hourly rates for the Bidder and any sub-consultant(s) of the project team (see Attachment “A” – Fee Schedule and Cost Breakdown).
- A detailed time and cost breakdown of the workload, i.e., by staff and man- hours.
- Disbursement costs, which may include mileage, telephone charges, printing and reproductions, fax charges, courier services, computer services, etc.
- Compliance with the Township’s insurance requirements, as outlined herein.
- A summary of professional fees and disbursements, as outlined in Attachment “B”.

The Bidder shall note that the Township will consider the estimated total professional service fees for this project as an upset limit based on the work plan and the project duration assumed and will not consider extra items unless prior written approval has been obtained.

39 Basis of Selection

The Municipality intends to recommend the appointment of the Consultant on the basis of best overall value, as determined by the review of the technical proposal and fees. The Consultant appointment is subject to approval by the Municipality in accordance with the provisions of the Municipality’s Purchasing By-Law.

40 Evaluation Criteria

Proposals will be assessed against the following criteria. The municipality reserves the right to shortlist firms for further evaluation and interviews which may alter the final scoring results. Proposals will be scored based on meeting or exceeding the expectations of the established evaluation criteria.

Evaluation Criteria		Weight Factor
1	Demonstrated project understanding	10
2	Project Methodology	20
2	Experience on projects of a similar nature	20
3	References	20
4	Schedule	10
5	Proposed fee structure	20
Total		100

41 Overall Project Schedule

The following schedule is proposed for the selection of the successful respondent and for the completion of this assignment. The following schedule of activities is provided for planning purposes only. The Corporation of the Township of Muskoka Lakes reserves the right to cancel the activity or change the schedule at any time.

The following key dates listed are targeted as ones that will move this project forward. **The 100% Submission** to Township Staff is to be completed by December 31, 2023.

Schedule

Action	Date (Approximate)
RFP Issued	March 29, 2023
Submission Date	April 26, 2023
Award of Assignment	May 17, 2023

LITIGATION AND CONFLICT OF INTEREST STATEMENT

In its sole discretion, the Township may reject a submission if the bidder:

- a. Has, at any time, threatened, commenced or engaged in legal claims or litigation against the Township.
- b. Is involved in a claim or litigation initiated by the Township.
- c. Previously provided goods or services to the Township in an unsatisfactory manner.
- d. Has failed to satisfy an outstanding debt to the Township.
- e. Has a history of illegitimate, frivolous, unreasonable, or invalid claims.
- f. Provides incomplete, unrepresentative or unsatisfactory references.
- g. Has engaged in conduct that leads the Township to determine that it would not be in the Township's best interest to accept the submittal.
- h. Has a conflict of interest, or that which may be viewed as a conflict of interest, either with or by the Township (see below).

The bidder, all sub-consultants, and any of their respective advisors, partners, directors, officers, employees, agents, and volunteers, shall not engage in any activity or provide any services where such activity, or the provision of such services, creates a conflict of interest (actually or potentially, in the sole opinion of the Township) with the provision of the work pursuant to the submission. The bidder acknowledges and agrees that a conflict of interest includes the use of confidential information where the Township has not specifically authorized such use.

The bidder shall disclose to the Township, in writing, without delay any actual or potential situation that may be reasonably interpreted as either a conflict of interest or a potential conflict of interest, including the retention of any sub-consultant or supplier that is directly or indirectly affiliated with or related to the successful bidder.

The bidder covenants and agrees that it will not hire or retain the services of any employee or previous employee of the Township where to do so constitutes a breach by such employee, or previous employee, of the employee's, or previous employee's employment contract, or the previous employer's conflict of interest policy, as may be amended from time to time.

A breach these provisions by the bidder, any of its sub-consultants, or any of their respective advisors, partners, directors, officers, employees, agents, or volunteers, shall entitle the Township to terminate the service agreement, in addition to any other rights and remedies that the Township has in the service agreement, in law, or in equity.

I, the undersigned, have read, understood and agreed to the above provisions.

Dated this _____ day of _____, 2023.
