REQUEST FOR TENDER

RFQ-2020-29

Bert Sims Road Dock Rehabilitation

ADDENDUM #1

The following addendum shall now form part of the contract documents and amends the applicable information contained in the original contract tendering documents.

All other information contained in the original tendering documents remains unchanged.

ADDENDUM #1

1.0 Scope of Work

1.6 Materials used for the cribbing shall consist of appropriate sized Douglas Fir timbers and proper sized crib stone. Stringers may consist of the same material. Bidders shall specify their choice of materials. Proposals to use materials that will lengthen the life of the dock structure are preferred. Decking and Fascia may consist of material that have a longer service life. Preference will be given to bids which utilize materials with long service lives.
