Should you have questions or inquiries about anything related to the Township of Muskoka Lakes services, and/or operations which cannot be found on the website, please fill out the Candidate Request for Information Form and submit by email or in person. All requests for information to assist a candidate campaign must be directed to the Director of Legislative Services/Clerk.

This process eliminates duplication, maximizes efficient use of staff resources and ensures that all candidates and potential candidates have access to the same information. All responses will be posted to the Township's website within seven days of receipt, except where additional time and costs are required for research and record retrieval.

Given the staff time required for some information requests, the requester will be advised, where appropriate and applicable, of any required fees for research (\$10 per 15 minutes). Payment is required prior to information being posted. Individuals and candidates must be aware that no campaign expenses may be incurred until after nomination papers have been filed with the Clerk.

Please note this form must be completed before a response is issued.

If the information requested is not a public record, the request will be denied and the requester may determine whether to proceed with a request under the *Municipal Freedom of Information and Protection of Privacy Act*.

Voting Period is October 17 to October 24, 2022
