

Summer, 2020

# Lakeside Collection Schedule

The Township of Muskoka Lakes

## What is the Lakeside Waste Collection Pilot?

The District recognizes the importance of waste collection alternatives for water-access and island residents. You said you needed a “made-in-Muskoka”, convenient garbage disposal alternative from boat-to-bin and we heard you.

We have scheduled lakeside collection events this summer on Sundays. District staff will be on-site to understand if this will be a viable alternative to service Muskoka’s unique communities as we plan for long-term solutions.

## What Can I Bring?

### ✓ Household Bagged Garbage

- up to 3 bags each week
- secure garbage inside bags and tie shut

### ✓ Sorted Recycling

- sorted: paper products and containers
- use clear / transparent bags for easy transport
- loose material is also accepted

# Summer, 2020: Lakeside Waste Collection Schedule

Every Sunday this summer beginning Sunday, July 5, 2020

## McDonald Road - Foot's Bay

Every Sunday - 10:00 am to 11:30 am

## Parker's Marina - Windermere

Every Sunday - 1:00 pm to 2:30 pm

## Baycliffe Park - Beaumaris

Every Sunday - 3:30 pm to 5:00 pm

**This is a pilot program and we will need your help to ensure its success.**

Please do not abandon garbage before or after the scheduled truck arrival/departure times. Please help us keep Muskoka beautiful. It's why we all choose to live here.
