Pre-order up to 10 items with your library card and pick up when you get the phone call that they are ready!

NOW AVAILABLE!

STEP 1:

You must pre-order online at www.muskokalakes.ca/library or call us at 705-765-5650. You will need your 14-digit library card number and your 4-digit PIN.

Note: no same-day pickup is available.

STEP 2:

We will phone you to confirm when, during our next scheduled day of pickup operation, that your items are to be picked up. Please limit to one person per household for item pickups.

STEP 3:

When you arrive at the upper door, keep your physical distance as you wait your turn. Knock on the door, put your returns in the bin provided, show your library card, step back at least six feet, and we'll put your items outside for you. Returned items will not be available for re-circulation for 72 hours.

STEP 4:

Enjoy your items! A receipt with return due dates will be included with your items. Overdue fines will accrue on your account but no cash will be accepted at this point.
