Request for Tender

T-2026-42

2026 Road Resurfacing Program

ADDENDUM #1

May 11th, 2026

The following addendum shall now form part of the contract documents and amends the applicable information contained in the original contract tendering documents.

All other information contained in the original tendering documents remains unchanged.

T-2026-42 ADDENDUM #1

May 11th, 2026

Clarification to Section TC-17 Successful Tenderer – Time for Completion

In addition to section 17.2, the following shall be added to the paragraph:

The anticipated date that a Start Work Order will be issued is June 22nd, 2026, no work will be permitted prior to the anticipated start date and issuance of the start work order.

Addition of Section to TC-3 Basis of Award

Section 3.2 is added to TC-3 Basis of Award on page A-3 of the tender.

3.2 This tender is subject to the Municipal Buy Ontario Procurement Directive, April 13, 2026. A 10% evaluation advantage will be applied to the bidder with the highest proportion of Ontario-Made Goods and Ontario Services, followed by Canadian-Made Goods and Canadian Services in their Domestic Supply Chain Plan. In the case of equal proportions, no evaluation advantage will be applied.

Addition of FT-7 Domestic Supply Chain Plan to Part III – Form of Tender

The following section is added to Part III – Form of Tender:

FT-7 Domestic Supply Chain Plan

Each bidder shall provide a Supply Chain Management Plan in accordance with the Municipal Buy Ontario Procurement Directive, April 13, 2026 for each major good and service as defined in the Directive. The Supply Chain Management Plan shall be submitted by completing the table below and shall include all of the required information.

Supply Chain Management Plan

Major Good Description	Vendor Name and Location	Ontario-Made Good? (Y or N)	Canadian-Made Good? (Y or N)	Percentage of Contract (%)
Granular A				
Service Description	Contractor Name and Location	Ontario Service? (Y or N)	Canadian Service? (Y or N)	Percentage of Contract (%)
Pulverize Existing Bituminous Surface				
Application of Granular A Padding				
Application of Magnesium Chloride				
Application of Surface Treatment				
Application of Hot Mix Asphalt				
Granular Shouldering				
Driveway Restoration
