Explanation of the Purpose and Effect:

The applicants propose to construct a two-storey dwelling with an attached covered porch and a private on-site sewage disposal system. The property was subject to a previous Zoning By-law Amendment Application (ZBA-14/20), which was approved by Council on October 14th, 2020 through By-law 2020-87. This site-specific By-law permits a dwelling and septic system in a specific location and extent. The applicants now wish to amend the previously approved location and extent. The following is a summary of the requested variance:
