T-2026-28

Removal and Replacement of Fuel System at Patterson Yard

ADDENDUM # 2

July 16, 2026

The following addendum shall now form part of the contract documents and amends the applicable information contained in the original contract tendering documents.

All other information contained in the original tendering documents remains unchanged.

T-2026-28 ADDENDUM # 2

July 16, 2026

Directions to Bidder:

The following is added to Section 2.0 “SUPPLY AND INSTALL NEW FUEL SYSTEM” of SP-F-1 “Special Provision – Item Specific”

The Patterson Yard Works Building roof is being replaced in Fall 2026. Coordination with the roofing contractor for the completion of the fuel system work may be required. Upon award of both contracts the Township will share out schedules of each party in order to ensure that the work is separated by time and space as required by the OHSA. The Contractor shall be expected to work together and the roofing work shall not be grounds for delay claims or any other type of claim to the contract.

Subsection 2.6 of Section 2.0 “SUPPLY AND INSTALL NEW FUEL SYSTEM” of SP-F-1 “Special Provision – Item Specific” is deleted in its entirety and replaced with the following:

2.6 All tanks, dispensers and piping for the tanks, the dispensers and conveyance between the two shall be above ground and located on a heavy-duty concrete pad. The concrete pad shall be designed by the contractor to support the weight of the equipment when full and in no case less than 6” thick and contain reinforcement rebar as required by the design. All equipment shall be protected by a curb with a height of no less than 150mm. Additionally, bollards must be mounted on the high side of the curb at regular and equal interval spacing of 53” or less. Bollards shall be installed around the full perimeter of the fuel pad and in each corner of the pad. Bollards are to be the same look, style and size as those at the Ranwood Yard.

The Bidder shall:

1. Sign this Addendum in the space provided below and submit this Addendum to the Owner in the same submission package as the Tender
2. Enter this Addendum number, date and number of pages on the Tender submission (Part III – Form of Tender Section 1.1.f, page A-8)
