Fire Underwriters Survey

RECOGNITION FOR FIRE INSURANCE GRADING RECEIVED

Township of Muskoka Lakes
Muskoka Lakes Fire Department
Superior Tanker Shuttle Service - Accredited

I am pleased to advise you that the above-mentioned fire protection district within the province of Ontario was recently registered in the fire insurance grading index as being accredited for the delivery of Superior Tanker Shuttle Service.

The requirements for this accreditation are stringent and verify that the fire protection district is capable of delivering the minimum accepted fire flows to detached dwellings throughout the fire protection district and within 8 kilometres by road of the responding fire station. This accreditation is an equivalency to the minimum requirements for hydrant protection as set out by the insurance industry and the Fire Underwriters Survey.

Fire Underwriters Survey has provided information on fire protection and risk levels to the insurance industry in Canada since 1883. Fire Underwriters Survey was previously operated under the auspices of the Insurers Advisory Organization, CGI; however, is now operated by Opta Information Intelligence.

Should you have any questions or concerns related to the Fire Underwriters Survey, the Superior Tanker Shuttle Service Accreditation process or any other related area, please contact the offices of Fire Underwriters Survey for further information.

Please note that this accreditation expires on October 4th, 2030 and is valid for the following fire station:

- Bala - Fire Station #3 - 1015 Grey Street
- Minett - Fire Station #5 - 1131 Juddhaven Road
- Raymond - Fire Station #7 - 1002 Spring Street
- Port Carling - Fire Station #6 - 1 Lee Valley Drive
- Milford Bay - Fire Station #9 - 1229 Milford Bay Road

Personal Lines Fire Insurance Classification – DPG 3B(S) – Flow Rate of 200 IGPM
