 - a) Early identification and prevention of violence in the workplace is encouraged. Potential threats of violence that should be reported could include the following:
 - i. threatening statements to do harm to self or others
 - ii. reference to other incidents of violence
 - iii. confrontational behaviour
 - iv. major change in personality, mood or behaviour
 - v. substance abuse
2. Institute general measures to reduce risk including:
 - a) designating emergency safe rooms.
 - In Port Carling for upstairs - the CEO's office (with a lock, windows and a phone) or a washroom (with a lock and solid door) and for downstairs - the community kitchen (with solid door and lock but no phone) or the workroom (with a lock, a telephone and access to the parking lot). The designated meeting spot for Port Carling is the Home Hardware parking lot.
 - In Bala, depending on the threat, the staff work area door can be closed and locked, or the entire branch can be locked down and used as a safe space. If safe to do so, exiting the branch and going into the community centre is also an option. Staff can take and use the portable phone. The designated safe meeting area for Bala is the Arena parking lot as indicated in the Bala Fire Safety Plan.
 - b) keeping all secondary entrance doors locked, but with 'crash bars'
 - c) keeping the exterior lights around the building in good working order
 - d) ensuring staff will not work alone in the Library without prior consent of the CEO

3. Staff procedures to increase personal safety
 - a) Notice your surroundings and report any unsafe or dangerous situation to the most senior staff member
 - b) If you feel uncomfortable about a person who has entered the Library, trust your instincts. If you feel threatened, make a scene - YELL, push the panic alarm or use the messaging application to contact other staff
 - c) Use a buddy system when leaving work
 - d) If you ever find you are working alone in the Library, let the CEO, or someone at home know the situation and tell him or her when you expect to leave
 - e) If you enter a room and suspect it is unsafe, do not call out. Back out, go to a safe, lockable place with telephone and call for help
 - f) Know the nearest exit or room with a lock
4. Staff procedures for threatening behaviour:
 - a) Do not put yourself or others in danger.
 - b) Do not argue with a threatening person. Identify yourself as a Library staff member. Remain calm and keep your voice low and firm and keep your distance from the threatening person.
 - c) Be friendly but firm, introduce yourself, look at the person while you talk to him/her, let the person talk, clarify the problem and offer solutions.
 - d) Press panic button, if escalating.
 - e) Get assistance from another staff person.
 - f) Advise him/her that the police will be called if the abuse does not stop.
 - g) If the behaviour does not change, call the police.
 - h) Notify the CEO or designate.
5. Staff procedures for dealing with violence/assault

How to Report a Situation

1. A report should be made as soon as possible after an action or behaviour occurs.
2. An informal, verbal complaint may be brought forward to the CEO. However, it is in the best interest of all concerned that a report be written.
3. If a formal complaint is made, the employee must file a written report with the CEO.
4. The report should include a brief statement of the incident, when it occurred, where it occurred, date and time it occurred, the person(s) involved and the names of any witnesses.

Investigation and Dealing with Incidents or Complaints Involving Staff/User Safety

1. After receiving a report, depending on the nature and severity of the issue, the CEO or designate will complete an investigation as quickly as possible. This will include interviews with those involved, if feasible.
2. The results of the investigation will be discussed with the employee and recommended preventative actions and/or resolutions presented.
3. A separate meeting will be held with the alleged perpetrator, if a staff member.
4. If the findings do not support the allegations, the CEO will recommend that no further action is necessary and that the matter be closed.
